UWindsor Open Entrance Scholarships

• Automatic consideration for students entering directly from full-time secondary school studies into a first-year undergraduate program at UWindsor.
• Offers are based on a student’s best six Grade 12 university preparation course grades available as of May 1.
• Offers may be adjusted at the end of June if at that time a student’s best six Grade 12 U or M course grades warrants an increase in the value of the scholarship(s) offered.
• To be offered an open entrance scholarship, students must be entering the Fall term as a full-time student. Winter start students are not considered unless planning to register as a full-time student in the Summer term immediately following. Winter start students will need to contact the Student Awards & Financial Aid Office at award1@uwindsor.ca for eligibility inquiries.
• Scholarships are guaranteed in Year 1, provided that the student remains in full-time attendance in Fall and Winter terms. Renewable scholarships require a minimum of an 85% average at the end of the Winter term to renew.
• For additional terms, conditions and continued eligibility requirements, please visit: www.uwindsor.ca/awards-entering-student-awards

* The University of Windsor reserves the right to make changes to its open entrance scholarship program prior to scholarship offers being made.

Outstanding Scholars Candidate Year Scholarship

Approximately 150 high-achieving entering students will be automatically offered status as an Outstanding Scholars Candidate and awarded a $1,500 ($750 x 2 terms) Outstanding Scholars Candidate Scholarship in addition to their UWindsor Open Entrance Scholarship. For additional information on the Outstanding Scholars Program, please visit: www.uwindsor.ca/outstandingscholars

Athletic Scholarships

Athletes coming directly from secondary school with an 80% average or above may be eligible to receive up to $4,000 in athletic scholarships in addition to the UWindsor Open Entrance Scholarship as a member of a Lancer varsity athletics team. Prospective student-athletes should contact Athletics and Recreational Services at 519-253-3000, Ext. 2437 or visit: www.golancers.ca

For all of the funding applications associated with the information outlined in the following sections, students can access the University of Windsor Award Search using their assigned UWindsor student number and access code: my.uwindsor.ca, go to “Financial Matters”, go to “Search for Awards”. There are deadlines so apply early.

Entrance Scholarships/Bursaries/Awards

The University of Windsor offers a number of UWindsor-sponsored and donor-sponsored entrance awards, many of which students must apply for. These awards may recognize academic excellence, assist with financial need, and celebrate students who demonstrate good citizenship.

Please note that many scholarships require that the student be a Canadian Citizen or Permanent Resident (including Protected Persons). Some of the scholarships available include:

• Ed Lumley Bursary ($32,000)
• Ron W. Ianni Entrance Scholarships ($20,800)
• The Chancellor Jackman Scholarships ($20,000)
• Windsor Green Engineering Scholarships ($16,000)
• Bill Eansor Award ($10,000)
• Shaughnessy Cohen Memorial Award ($7,000)
• Eleanor Catherine Wallace Memorial Entrance Scholarships ($5,000)
• Odette Family Entrance Awards in Business ($4,500)
• Yves Landry Memorial Scholarships ($2,000-$5,000)
• Frank J. Ewasyshyn Electrical Engineering Award ($1,500)

General Need-Based Assistance

First-year students who wish to be considered for general entrance awards, including need-based awards, should apply on the “Awards for Entering Students with Financial Need” application using the my.uwindsor.ca “Award Search”. The final deadline to submit an application is June 1. In all cases where financial need is a consideration for bursary assistance, students must apply for government student financial aid (i.e. OSAP). Applications for government financial aid are usually available in early May.

In-Course Scholarships, Bursaries and Awards

The University of Windsor has many donor-sponsored, undergraduate in-course awards that support students who demonstrate academic success that are also open to first-year students. Check out the “Award Search” and see what’s available. Applications for our in-course awards open up on August 1.

University of Windsor Work Study Program

The University of Windsor funds an on-campus, work study program geared to students experiencing financial need. Approximately 300 workstudy positions are available. The application will be available starting August 1. Students who apply by September 1 will be considered in our first round of evaluations, so apply early.
**Ontario Student Assistance Program (OSAP) and 30% Ontario Tuition Grant (OTG)**

* Open to Canadian Citizens, Permanent Residents or students with Protected Person Status.

OSAP/OTG is an integral part of a student's financial aid package. Apply online at [http://osap.gov.on.ca](http://osap.gov.on.ca). Through a combination of grants and loans, the OSAP/OTG program provides students with financial support that supplements their expected resources to meet their direct educational costs. The OSAP program also offers many appeal options as the standard assessment of need doesn’t always fit within a student or family’s actual situation. A student who is concerned that the level of OSAP assistance is not sufficient to meet their needs can submit an on-line request to have their OSAP application reviewed for possible appeal options. Students may request a review of their eligibility at: [www.uwindsor.ca/awards/needmorefundsforschool](http://www.uwindsor.ca/awards/needmorefundsforschool)

**UWindsor Student Access Guarantee**

To the best of our ability, we ensure that available funds are directed to those students who are most in need, taking personal and family resources into consideration. As part of the Ontario government’s Student Access Guarantee, students are expected to apply for OSAP assistance, and accept funding up to the funding limits allowed through the OSAP assessment process. Out-of-province students are expected to rely on programs of government assistance in their home provinces, but can request consideration for need-based support if they have unmet need. Assessed need which remains unmet above the OSAP maximum will be considered.

For additional information on the UWindsor Student Access Guarantee process, visit: [www.uwindsor.ca/awards/student-access-guarantee](http://www.uwindsor.ca/awards/student-access-guarantee)

**Tuition and Fee Information**

You can estimate what your tuition and fees are going to be at the University of Windsor by using the Tuition Fee Estimator available on the Cashiers Office’s website. To do so, or for additional information on tuition fees and payment options, please visit: [www.uwindsor.ca/cashiers](http://www.uwindsor.ca/cashiers)

**enRICHed Start**

Once you are registered as a UWindsor student and have an @uwindsor.ca email account, you will have access to the enRICHed Start program through the myUWindsor student portal. This program connects UWindsor students to a series of videos intended to teach basic money management that are funny, entertaining and insightful. The program includes several modules on how money and credit works, careers and building your personal brand, goal setting and building wealth.

**Budgeting 101**

One of the most important things to do as you plan for your university studies is to plan out your budget for the academic year. For assistance with your developing your budget, please visit: [www.uwindsor.ca/awards/uwinfin](http://www.uwindsor.ca/awards/uwinfin)

**Don’t forget to thank a donor!**

If you receive a donor-sponsored award at any point throughout your studies, we kindly encourage you to acknowledge the receipt of the award with a thank-you letter to the donor who sponsored the award. A simple note of thanks goes a long way and may open up other opportunities for you.

**For More Information**
